Dear Mayor Gardner:

Your application for modification of your NPDES permit and for a state construction permit was received on May 17, 2021, with additional information received May 19, 2021. In accordance with Division policy, your application has been reviewed and determined to be administratively complete. This request will be acted upon as soon as possible in accordance with existing priorities. However, a request for a permit modification does not suspend any portion or requirement of your existing NPDES permit. Please note you are still legally obligated to meet all the NPDES permit requirements pending final disposition of your request.

Pursuant to Act 163 of 1993 and Arkansas Pollution Control and Ecology Commission (APCEC) Rule 8, Section 8.205, public notice must be given for all permit applications submitted to this Division. The enclosed public notice will be published by DEQ in a newspaper of general circulation for one (1) day only. An invoice for the cost of publishing the public notice and proof of publication will be sent to you by the advertising newspaper. The permittee must send proof of publication and payment to the address at the bottom of this letter as soon as possible but no later than 30 days from the above date. Until this Division receives proof of publication of the public notice, no further action will be taken on your construction and modification permit.

Additionally, a permit fee is required in accordance with Arkansas Act 817 of 1983, as amended, Arkansas Act 1254 of 1993, as amended, and APCEC Rule 9. Your fee will be calculated in accordance with the fee schedule contained in APCEC Rule 9, and an invoice will be sent to you.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Kai Imamura, Staff Engineer at (501) 682-0045 or by email at kai.imamura@adeq.state.ar.us.
