RE: First Permit Expiration Notification
NPDES Permit Number AR0020117, AFIN 69-00011
City of Mountain View

Dear Mayor Gardner:

A review of our records indicates that your NPDES Discharge Permit will expire on **7/31/2023**. In accordance with federal and state regulations, permittees wishing to continue discharging wastewater prior to and following the expiration date of their permit are required to apply for a renewal permit **not less than 180 days** (i.e., 6 months) prior to the permit's expiration date (i.e., **2/1/2023**) in accordance with 40 CFR Part 122.21(d).

Please complete the required application forms and return them as soon as possible. Documents may also be submitted by email in PDF format to water-permit-application@adeq.state.ar.us. **Please be advised that ALL the required effluent testing data MUST be obtained and submitted with the application forms.**

Copies of the required NPDES Permit renewal forms can be obtained at the following website:
<https://www.adeq.state.ar.us/water/permits/npdes/individual/>

Due to the large number of renewal applications received by the Division, a **complete application** must be received by **2/1/2023**. Any NPDES permit that expires without the receipt of a renewal application will no longer be valid. In such a case, a new permit application must be submitted. Any facility discharging past the termination of its NPDES permit will be unlawful and may be subject to formal enforcement action which could include fines up to \$10,000 per day.

If our records are incorrect or if you do not desire to renew your permit, you **MUST** submit a letter terminating the permit including the current status of the facility and why the permit is no longer needed. If you need additional time to complete and submit the application forms (which cannot be more than 90 days prior to the expiration date of the permit), please respond by letter to the address below or by email to the address above as soon as possible. Failure to submit the requested information could result in enforcement action.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Kai Imamura at 501-682-0045 or by email at kai.imamura@adeq.state.ar.us.

Sincerely,

A handwritten signature in cursive script that reads "Jessica Sears".
