RE: NPDES Permit No. AR0020117, AFIN 69-00011

Dear Mr. Thatcher:

The Department has begun a technical review of your recently submitted NPDES permit renewal application. The following items are needed in order to make the application technically complete:

1. The responsible official is required to sign and date both of the permit forms. The responsible official must also be listed in Item #19 of Form 1, Section A.
2. Section C of Form 1 must be completed.
3. All portions of Section B of EPA Form 2A must be completed.
4. A FEMA map showing the location of the treatment plant must be submitted in accordance with Item #6 of Section B of Form 1.

Please submit the requested information no later than March 20, 2008. Copies of the application pages which require modification have been enclosed for your convenience. If you have any questions, please feel free to contact me at reiber@adeq.state.ar.us or call me at (501) 682-0612.

Sincerely,

Loretta Reiber, P.E.
Engineer, NPDES Permits
