State of Arkansas
WATER/WASTEWATER ADVISORY COMMITTEE

May 7, 2015

The Honorable Gerald Marberry
Mayor, City of Flippin
Post Office Box 40
Flippin, Arkansas 72634

Re: Flippin's Pre-application for Recommendation on Wastewater Funding

Dear Mayor Marberry:

On May 6th, the Water/Wastewater Advisory Committee (Committee) reviewed your pre-application for funding of a sewer extension to 51 customers in the southeast part of the City. The Committee was unable to make a recommendation on funding because of the following comment:

The Arkansas Department of Health has written a comment letter dated April 3, 2015 on this project. The comments will have to be answered to their satisfaction before the Committee will provide a recommendation letter.

The Water/Wastewater Advisory Committee meets the first Wednesday of every month with a cut-off date of the 15th of the prior month to make the agenda. For your project to make the June agenda, you will have to submit your responses to these comments by May 15th. If we have not received a response to these comments within 90 days of this letter, you will have to reapply to WWAC when the project is ready to proceed.

We appreciate your cooperation with this pre-application process. If you have any questions or comments, please give me a call at the above telephone number.

Sincerely,

A handwritten signature in cursive script that reads "David Fenter".

Water/Wastewater Advisory Committee
