**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Jessica, the issue I have with this new format is I can only access a “read only” version of the Word doc. That means I have to save it as a new doc and resend. I can’t help but think the old way was better when we just emailed back to you.

There are no “in progress” UAAs for the waterbodies listed.

Sarah/Kristi/Jim-

I have been assigned the renewal for the City of Flippin, AR0021717. Please let me know if you can not access the form on my D drive via the link below. We weren’t sure if it would work or not, so this can be our trial run. 😊
