RE: Corrective Action Report and Compliance Plan
NPDES Permit AR0038822, CAO LIS No. 07-013

Dear Mr. Bodart:

Our Department has received the Corrective Action Report as required by CAO LIS No. 07-013. The Report has been deemed inadequate because it does not supply the date for achieving compliance with the effluent limits as specified in the Order. A revised Corrective Action Report with this information will be necessary. Please send the revised Report by **July 20, 2007**. Please refer to NPDES Permit No. AR0038822 and CAO LIS No. 07-013 on any correspondence with this Department. If you have any questions, please feel free to contact me at (501) 682-0630, or by e-mail at stout@adeq.state.ar.us.

Sincerely,

Marilyn Stout
