Dear Ms. Fuller:

This letter is written in response to your inquiry regarding properties of architectural, historical, or archeological significance in the area of the referenced project.

For the Arkansas Historic Preservation Program to complete its review of the proposed project, we will need the additional information checked below:

- A 1:24,000 scale USGS topographic map clearly delineating the project boundary.
- A project description detailing all aspects of the proposed project
- The location, age and photographs of structures to be renovated, removed, demolished, or abandoned as a result of this project.
- Photographs of any structures on property directly adjacent to the project area.

Once we have received the above information, we will complete our review as expeditiously as possible. If you have any questions, please contact me at (501) 324-9880.

Sincerely,

Steven M. Imhoff
