RE: Cooper Tire and Rubber Company – NPDES Renewal Application
NPDES Permit No. AR0038822

Dear Ms. Marks:

Enclosed, please find the Cooper Tire and Rubber Company's NPDES Permit Renewal Application.

Cooper Tire previously submitted to ADEQ a desktop model and additional data supporting alternative BOD and TSS limits. The desktop model and additional data are currently under review by ADEQ personnel. Cooper Tire requests that this previously submitted information be considered when developing the new permit.

If you have any questions, feel free to contact Charles Allen at (870) 779-4260.

Respectfully,
Cooper Tire and Rubber Company

John E. Bodart
Plant Manager
