Subject: Cooper Tire; AHPP Tracking No. 33529

Steven Imhoff,

Your 7/29/2010 letter requested a topo map and project description for the permit modification for Cooper Tire & Rubber Company, NPDES Permit No. AR0038822M and AHPP Tracking No. 33529. This permit modification does not involve any new construction, only changes within the permit.

Shane Byrum, Engineer
