The 911 address is North Central Unit, 10 Prison Circle, Calico Rock, Arkansas, 72519. I verified this with the Calico Rock Post Office.

Good Afternoon Mr. Ashcraft,

During the technical review of the NPDES discharge permit renewal application, there is a question about the facility physical location. Based on the Google map, it indicates that the physical address for the wastewater treatment plant is 10 Prison Circle. However, the application has Route 5 HWY 5 North, Calico Rock, AR 72519.

**Would you please verify and confirm the physical address / 911 address for this facility?**

Thanks,
