RE: AR0044016 - Arkansas Department of Correction – Renewal, Izard County

Dear Mr. Shafii:

A staff review has been made of the information received on the referenced project. The Division of Engineering has the following comments on the submittal:

- The outfall site appears to be in the White River Watershed Assessment Area for Mountain View Waterworks.
- The intake for Mountain View is approximately 36 miles downstream; the intakes for Batesville and Southside are approximately 75 miles downstream.

If you have any questions or comments, please coordinate them through Autumn Thompson at 501-661-2623.

Sincerely,

Bob Makin, P.E.
Assistant Director
Division of Engineering
