Kai,

Canfor has reviewed the referenced Draft Permit and we currently have no comments on the permit. However the facility mailing and physical address shown in the Statement of Basis has changed as a result of the county's emergency 911 system address changes. The new physical and mailing address for the facility for all purposes is:

Canfor Southern Pine - Urbana Sawmill
4337 Lawson Road
El Dorado, AR 71730

All prior addresses including prior mailing address in Strong, AR and physical address in Urbana, AR are no longer valid for any purposes and may not reliably be forwarded by the Post Office. **Please update all of your records to reflect the new address.**

Thank you
