Alex,

There are no enforcement issues with permit AR0047384. I believe Tommi is the EA for the general permit.

Thanks,

Miles,

Does Enforcement have an issue with the following permits with Anthony Forest Products Company – Urbana Sawmill?

ARG550398  
AR0047384

They have changed their name from Anthony Forest Products Company to Anthony Forest Products Company, LLC.

Please contact me with any questions.

To Whom It May Concern,

We previously submitted an NPDES Wastewater Permit (Permit # AR00047384) and Individual Treatment Systems General Permit (Permit ARG550000, Permit Tracking No. ARG550398) Permit Transfer Forms for the Anthony Forest Products Company, LLC facility in Urbana, AR.

At the time of the submittals the new company had not yet received confirmation of registration with the secretary of state and therefore could not submit the Disclosure Statement as required by the Permit Transfer Forms. This email is to update those submittals with the attached disclosure form.

For your reference I have also attached scanned copies of the signed Permit Transfer Forms for both permits.

If you have any questions, please do not hesitate to call me at (770) 263-6330, x.113.

Sincerely,
