NPDES DRAFT PERMITTING DECISION

PERMIT NUMBER AR0047304

This is to give notice that the Arkansas Department of Environmental Quality, Post Office Box 8913, Little Rock, Arkansas 72219-8913 proposes a draft renewal of the permit for which an application was received on 06/21/2006 for the following applicant under the National Pollutant Discharge Elimination System and the Arkansas Water and Air Pollution Control Act.

Anthony Forest Product Company- Urbana Mill
P.O. Box 724
Strong, AR 71765

The applicant is requesting a renewal of its existing NPDES discharge permit.

Facility Location: The facility is located as follows: 1236 Urbana Road, Urbana, AR 71766, approximately 2.5 miles north of Highway 82 on County Road 129; Latitude: 33° 09' 45" Longitude: 92° 26' 55" in Section 9, Township 18 South, Range 18 West in Union County, Arkansas.

Discharge Location: The discharge from this existing facility is made into a cattail marsh that flows to North Lapile Creek, thence to Lapile Creek, thence to the Ouachita River in Segment 2D of the Ouachita River Basin. The receiving stream is a Water of the State classified for secondary contact recreation; raw water source for public, industrial, and agricultural water supplies; propagation of desirable species of fish and other aquatic life; and other compatible uses.

Outfall Location: The outfall is located at the following coordinates: Latitude: 33° 09' 46" Longitude: 92° 26' 52"

303(d) List Consideration: The receiving system is not listed on the 303(d) list. Therefore no permit action is needed.

Endangered Species Consideration: No comments on the application were received from the U.S. Fish and Wildlife Service (USF&WS). The draft permit and Statement of Basis will be sent to the USF&WS for its review.

Type of Treatment: a series of three sedimentation ponds.

Sludge Condition: Any sludge generated is accumulated in the sedimentation pond.

Activity: Under the standard industrial classification (SIC) code 2421, the applicant's activities are the operation of a sawmill.

Changes: Changes from the previously issued permit are listed below.

and public hearing, if one is held, ADEQ will issue a final permitting decision. ADEQ will notify the applicant and each person who has submitted written comments or requested notice of the final permitting decision. A final permitting decision means a final decision to issue, deny, modify, revoke and reissue, or terminate a permit. Any interested person who has submitted comments may appeal a final decision by ADEQ in accordance with the APCEC Regulation No. 8 (Administrative Procedures).

Submitting written comments to ADEQ or making oral statements on the record at the public hearing on the proposed permitting decision provides individuals with legal standing to appeal a final Department permitting decision. Comments supporting or opposing the proposed decision will provide legal standing. Only parties with legal standing may appeal a permitting decision.

Permit Application Record: The permit application and the administrative record is available for review and copying in the Central Records Section, ADEQ, State Police Headquarters, One State Police Plaza, near Interstate 30 and Gayer Springs, Little Rock, Arkansas.

Web Site Information: For those with Internet access, a copy of the proposed draft permit may be found on the ADEQ's website at: http://www.aeq.state.ar.us/water/branch_npdes/pn/permits/pnpermits.asp

Contact Person: The ADEQ contact person for submitting written comments, requesting information, or obtaining copies of the application, permit, and the Statement of Basis is: Shane Byrum
