Dear Ms. Fuller:

This letter is written in response to your inquiry regarding properties of architectural, historical, or archeological significance in the area of the referenced project. My staff has reviewed the documentation regarding the above-referenced undertaking. Our records show that two archeological sites (3PU28 and 3PU416) are located on the subject property and may be affected by the proposed work. 3PU416 is not eligible for inclusion in the National Register of Historic Places and requires no further archeological work, but the eligibility of 3PU28 is undetermined

We recommend that a professional archeologist visit 3PU28 to determine its current status and whether it will be affected by the planned undertaking. A report of that work the meets the guidelines for archeological fieldwork and report writing in Arkansas should be submitted to this office for review prior to project implementation.

Thank you for the opportunity to comment on this undertaking. If you have any questions, please contact Steve Imhoff of my staff at (501) 324-9880.

Sincerely,

Frances McSwain
Deputy State Historic Preservation Officer
