RE: Notice of Termination, NPDES Permit No. AR0051454, AFIN 60-01529

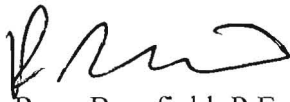

Dear Mr. Harrison:

In accordance with the issuance of NPDES general permit ARR001186, the facility is hereby notified that the subject NPDES Individual Permit Number AR0051454 has been terminated effective January 13, 2014.

NPDES Individual Permit Number AR0051454 was issued to permit industrial stormwater discharges from this facility. This permit was applied for at a time in which coverage under NPDES Industrial General Permit was unavailable. As the facility's discharges that were previously permitted under individual permit number AR0051454 were eligible for coverage under the NPDES Industrial General Permit, the department has issued NPDES general permit ARR001186 to permit these discharges. Thus, NPDES Individual Permit Number AR0051454 is no longer necessary.

If you have any questions concerning this matter or need additional information, please feel free to contact the NPDES Section at (501) 682-0622.

Sincerely,

Ryan Benefield, P.E.
Deputy Director
