Re: NPDES Permit Application AR0052931

Dear Mr. Leamons:

Thank you for your letter dated September 21, 2018. We have forwarded your letter to our consultants to address the items in your letter and hope to have them addressed shortly with a revised application. Your letter indicated that there may be additional items that should be addressed. If you have identified anything further, please let me know.

Sincerely,

Jason Henson
