Dear All:

My name is Brendan Jones and I live at 9812 Charterhouse Rd., Little Rock AR 72227. I'm writing in support of the approval of the permit for the applicant, Southwest Equity Investments, Paradise Subdivision WWTP, on the NPDES Permit Number AR0053210 and AFIN:60-05101. Please accept my written comments regarding DEQ's permitting decision in preparation for the public hearing on May 18, 2022.

After I moved back from college, Mr. Rick Ferguson called me to go and get lunch with him. He laid out that he knew that since my dad had passed, I didn't have the luxury of having a father to call in times of hardship and for general advice. He let me know that he was willing to be that man for me. In the following months he has stood true to his word and his support has been overwhelming. He did not have to do that, but that is the man he is and I will never forget it. I know with utmost certainty that everything he means to do, he means to do for a good purpose. I trust this man and support the future that he has in mind for our city and our state.

Thank you for your time,

--
