Dear Mr. Khan,

Thank you for your time and attention. I ask that ADEQ deny the permit for the sewage treatment facility for Paradise Valley and I also request a public hearing on this issue. Mill Bayou is protected water of the United States and a source of life-giving water for animals and people within the Mill Bayou Watershed and therefore is not an appropriate space for a sewage treatment facility. The developer has other more appropriate options. Please have the ADEQ deny this permit.

Sincerely,

Donna Hankins
