Dear Mr. Khan,

I ask that ADEQ deny the permit for the sewage treatment facility for Paradise Valley and I also request a public hearing on this issue if/when that time comes. Mill Bayou is not an appropriate use as a sewage facility's pipe - in this location especially.

This development is not in the best interest of the community in many ways. Not only is the proposed sewage treatment plan a danger to the valley environment, it is an attempt to suburbanize the rural communities of Roland and overload narrow country roads and support structure of our neighborhoods.

Again, I ask that you deny this permit.

Sincerely,

Douglas M Hulseley Jr
