Subject: RE: Discharge Permit Number AR0053210, AFIN 60-05010 Attn: Mr. Faizan Khan

Dear Mr. Khan,

I strongly oppose the Paradise Valley sewage treatment facility on Roland Cutoff Road and respectfully ask that the ADEQ deny the permit and hold a public hearing. I think the treatment plant is irresponsible and an inappropriate use of Mill Bayou. The treated sewage will not empty into a flowing stream, but rather a stagnant and boggy wetlands, which is located very near my home , around other homes and livestock including horses, pigs and cows. Mill Bayou floods terribly and will send the treated sewage into spaces it was not intended to be, coming into contact with people and animals.

Sincerely,
Tony Orr
