A public comment period on the proposed draft permit closed on December 13, 2022. Based on comments and requests for a public hearing received during the public comment period, and in accordance with Arkansas Pollution Control and Ecology Commission (APC&EC) Rule No. 8.209, DEQ will conduct a public hearing.

The public hearing will be held on April 5, 2023, at 2:00 PM Central Time to accept comments on the draft permit. The hearing will be held in the Commission Room at the DEQ Headquarters Building, 5301 Northshore Drive, North Little Rock, AR 72118. In the event of inclement weather or other unforeseen circumstances, a decision may be made to postpone the hearing. If the hearing is postponed and rescheduled, a new legal notice will be published to announce the details of the new hearing date and comment period. At said hearing, all interested parties may submit written or oral statements regarding the draft NPDES permit to the Hearing Officer for consideration. The purpose of said hearing is to allow public participation in the determination of the terms and conditions of the issuance of the NPDES permit. Verbal comments will be accepted, but written comments are preferred in the interest of accuracy. The comment period will be effective during the public hearing during the designated time and will expire at the close of the hearing.

Comments and public hearing procedures may be found at 40 C.F.R. §§ 124.10 through 124.12 and APC&EC Rule 8. After the public comment period and public hearing, DEQ will render a final permitting decision. DEQ will notify the applicant and each person who has submitted written comments or requested notice of the final permitting decision.
