Notice of Application
For NPDES Permit AR0053384 and State Construction Permit AR0053384C

Under the provisions of Act 163 of the 1993 Arkansas Legislature, this is to give notice the Department of Energy and Environment - Division of Environmental Quality - Office of Water Quality has received an application on November 9, 2022, for a new NPDES Permit No. AR0053384 and State Construction Permit No. AR0053384C from the following facility:

Exploratory Ventures, LLC
PO Box 707
Osceola, AR 72370

The application has been deemed administratively complete and is undergoing technical review by the Office of Water Quality for compliance with State and Federal regulations. The facility under consideration is located as follows: 1000 East County Road 860, Osceola, in Mississippi County, Arkansas.

The proposed construction will include oil/water separation, homogenization (flow equalization), metals removal (Dissolved Air Flotation), clarification, aeration for ion conversion, and filtration, and sludge drying with a design flow of 1.25 MGD.

Interested persons desiring to request a public hearing on the application may do so in writing. The Division shall have the discretion to decide whether to hold a public hearing, unless otherwise required by law or regulation. If a hearing is scheduled, adequate public notice will be given in this newspaper. All requests shall be submitted in writing and must include the reasons for the necessity of a public hearing. All requests should be received by DEQ within 10 business days of the date of this notice and should be submitted to:
