Sorry, Hannah! We have an air application in as well and I think the site got the two notices confused. Attached is the receipt for the public notice. David Phillips (District Manager) called and paid it today with his credit card. Thank you!

I don't think the receipt matches the public notice for your application. The receipt was for \$81.25 and for a notice that started "Public Notice Pursuant to Act 163..." The application notice was only for \$70 and starts "Notice of Application." I think the receipt must be for a different notice.
