Amy,  
In my earlier FOIA, I didn't mention specifically the evaluation, review, comments, etc the EPA has done on Arkansas's 303 (d) or 305 (b) list and or its assessment methodology its approval or denial and for what reasons as far back as 2008, I am hoping that will be included under "agency" in previous FOIA request, but for clarification this is a follow up.  
Thank you, Amy.
