RE: ADH No. 32-6608, ADEQ Permit No. ARG590001, AFIN 51-00164  
C & H Hog Farms, Newton County, Arkansas

Dear Mr. Shafii,

A staff review has been made of the information received on the referenced project and ADH has the following comments:

Best management practices and stream buffer zones should be strictly adhered to during the land application of swine wastes.

If you have any questions or comments, please coordinate them through Stephanie Burchfield at 501-280-4428.

Sincerely,

Jeff Stone, P.E.  
Director  
Arkansas Department of Health
