**Subject:** proposed modification of coverage for C & H Hog Farm in Mount Judea under the Concentrated Animal Feeding Operation General Permit.  
**Date:** Wednesday, April 15, 2015 8:31:58 AM

---

I ask that you do not approve the modification request for C&H Hog Farms, Inc. NPDES Permit No. ARG590001, File AFIN 51-00164 as it is full on inaccuracies, I believe you should only consider approving an accurate document.

It seems they don't really know what they are doing and are endangering the purity of the Buffalo River.
