I oppose ADEQ's decision to consider a modification of the C&H Hog Farms, Inc. CAFO permit due to the following:

The C & H request for permit modification included the submission of a revised NOI. With the exception of a couple of pages, the revised NOI is identical to the original NOI. Both the original and revised NOI contain information known to be inaccurate including misidentification of the spray fields and misinformation in the spray field leases. Prior to the submission of the revised NOI, C & H owners were made aware of these inaccuracies (see Inspection Reports 1 and 2) yet they knowingly submitted a substantially unchanged, and still inaccurate, revised NOI.

I respectfully request that ADEQ deny the requested permit modification until a correct and complete revised NOI has been submitted for public review and comment.

Sincerely,
Carol Joan Patterson
