Subject: Public Hearing Request for C&H Pond Liner Modification

Mr Shafi,

I would like to request that there be a public hearing held in conjunction with the current public comment period regarding the permit modification requested by C & H Hog Farms, NPDES Permit Number ARG590001- AFIN 51-00164, for the installation of pond liners, cover and flare. Considering the controversy and contentiousness surrounding this permit, a public hearing is warranted. Please let me know if my request is approved and, if so, when and where this hearing will be held.

Thank you,

Gordon Watkins, President
Buffalo River Watershed Alliance
