Dear Mr. Conrad,

The Department is in receipt of your correspondence, dated July 31, 2008, requesting the legal name on the following permits: ARR0000231, ARG160003, and ARG750073 be changed from Waste Management Tontitown Landfill to Eco-Vista, LLC.

A permit transfer form must be submitted to the Department in order to change the name on the above permits. A permit transfer form has been included with this correspondence. In addition, while reviewing the information that the Department had on file for the above permits, it was noticed that the various information on file with Department is missing or outdated. The Department request that an updated Notice of Intent (NOI) be completed for each of the above permits and submitted along with the permit transfer form. This will enable the Department to update the information on file for the above permits. The appropriate NOI for each permit has been enclosed with this correspondence.

If you have any questions concerning this matter, please feel free to contact me at (501) 682-0621 or E-mail me at gallagher@adeq.state.ar.us.

Respectfully submitted,
