RE: Notice of Application Withdrawal, NPDES General Permit, WM Eco-Vista Landfill, LLC, Springdale, AR (Permit Tracking No. **ARG750073**, AFIN **72-00144**)

Dear Ms. Rotenberry:

The Department is in receipt of the facility's request for the withdrawal of your application for coverage under the Car and Truck Wash General NPDES Permit ARG750000. Therefore the tracking number referenced above has been removed from consideration for coverage under this permit.

Any resumption of the discharge or any new discharge without a permit will be unlawful. Should you again plan to discharge any pollutant from this outfall to Waters of the State, it will be necessary to file a new Notice of Intent (NOI). Any permit issued as a result of such reapplication will contain conditions and limitations consistent with the situation, and the laws and regulations in effect at the time of reissuance, irrespective of any previously issued permit.

If you have any questions concerning this matter, please feel free to contact the General Permits Branch at 682-0623.

Sincerely,

Katherine A. Yarberry, EI
Engineer
General Permits, Water Division
