**Notice of Draft Renewal Permit
NPDES General Permit ARR000000 for
Facilities Discharging Stormwater Associated with Industrial Activity
located within the State of Arkansas**

This is to give notice that the Arkansas Department of Environmental Quality (ADEQ), Office of Water Quality, 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317 at telephone number (501) 682-0623, proposes a renewal of the general permit for facilities that discharge stormwater associated with industrial activity located within the State of Arkansas under the National Pollutant Discharge Elimination System (NPDES) and the Arkansas Water and Air Pollution Control Act.

Dischargers located within the State of Arkansas requesting coverage will be authorized to discharge to all allowable waters, as set forth in General Permit ARR000000. All receiving waters are a Water of the State, classified for raw water source for public, industrial, and agricultural water supplies, propagation of desirable species of fish and other aquatic life, and other compatible uses.

The submission of written comments by any person will be accepted by the Department during the public comment period. Any interested person may request a public hearing on the draft permitting decision during the public comment period. To submit written comments or request a public hearing on the draft permit, contact the Office of Water Quality at the above address, or by email at Water-Draft-Permit-Comment@adeq.state.ar.us. General questions and information requests regarding the general permit or requests for a copy of the general permit or the fact sheet may be made through the email or phone number provided above.

A copy of the Draft General Permit, Public Notice, and Fact Sheet are available at the Department's website at the following web address by entering the permit number listed above:

https://www.adeq.state.ar.us/water/permits/drafts_pn.aspx.

The public comment period will begin on the date of publication, June 20, 2018 and will end on July 20, 2018 at 4:30 p.m. (Central Daylight Time).
