Industrial Activity located within the State of Arkansas, Huntsville Wastewater Treatment  
Facility, Huntsville, AR, Permit Tracking Number **ARR000005, AFIN 44-00018**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Ambient Minerals, Inc., Benton, AR, Permit Tracking Number **ARR000084, AFIN 63-00113**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Mena Wastewater Plant, Mena, AR, Permit Tracking Number **ARR000145, AFIN 57-00423**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, Hanes Brands, Inc.-Clarksville,  
Clarksville, AR, Permit Tracking Number **ARR000256, AFIN 36-00100**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Treatment Plant, Wynne, AR, Permit Tracking Number **ARR000293, AFIN 19-00071**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Clarksville, AR, Permit Tracking Number **ARR000307, AFIN 36-00191**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Wal-Mart Printing/Mailing Distribution Center, Bentonville, AR, Permit Tracking Number **ARR000332, AFIN 04-00045**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Siemens Industry, Inc., Blytheville, AR, Permit Tracking Number **ARR000406, AFIN 47-00907**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Greenwood, AR, Permit Tracking Number **ARR000443**, **AFIN 66-00239**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, J.R. Simplot Company, West  
Memphis, AR, Permit Tracking Number **ARR000460, AFIN 18-00876**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, Stericycle, Inc.-Tontitown,  
Tontitown, AR, Permit Tracking Number **ARR000619, AFIN 72-01968**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Conway Warehouse, Conway, AR, Permit Tracking Number **ARR000743, AFIN 23-01099**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, P Street Wastewater Treatment Facility, Fort Smith, AR, Permit Tracking Number **ARR000830, AFIN 66-01653**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Lafayette County Transfer Station, Lewisville, AR, Permit Tracking Number **ARR000871, AFIN 37-00125**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Hatfield Transfer Station, Hatfield, AR, Permit Tracking Number **ARR001009, AFIN 57-00429**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Universal Environmental Services, LLC, North Little Rock, AR, Permit Tracking Number **ARR001016, AFIN 60-04509**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, White Street, Batesville, AR, Permit Tracking Number **ARR001110, AFIN 32-00589**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Bradley County Transfer Station, Warren, AR, Permit Tracking Number **ARR001167, AFIN 06-00163**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

AR, Permit Tracking Number **ARR001228, AFIN 60-00052**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Berry Plastics, Hot Springs, AR, Permit Tracking Number **ARR001242, AFIN 26-01007**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Ramco Environmental LLC, Greenbrier, AR, Permit Tracking Number **ARR001254, AFIN 23-01184**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, England Packing Company, Inc.,  
Rison, AR, Permit Tracking Number **ARR00A468, AFIN 13-00022**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Midway, Midway, AR, Permit Tracking Number **ARR00A619, AFIN 03-00003**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Permit Tracking Number **ARR00A720, AFIN 04-00799**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, The Steco Corporation, Little Rock, AR, Permit Tracking Number **ARR00A895, AFIN 60-00179**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, D-Sign Incorporated, Lowell, AR, Permit Tracking Number **ARR00B200, AFIN 04-00362**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Phelps Fan, LLC, Little Rock, AR, Permit Tracking Number **ARR00B352, AFIN 60-00079**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, Garilinghouse Brothers Inc., Heber Springs, AR, Permit Tracking Number **ARR00B628, AFIN 12-00057**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Sheridan, AR, Permit Tracking Number **ARR00B836, AFIN 27-00068**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas, FedEx Freight Inc.-FSM, Fort Smith, AR, Permit Tracking Number **ARR00C021, AFIN 66-00611**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Blytheville, AR, Permit Tracking Number **ARR00C322, AFIN 47-00478**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, JMS Russel Metals Corp.,  
Blytheville, AR, Permit Tracking Number **ARR00C340**, **AFIN 47-00480**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:

Industrial Activity located within the State of Arkansas, Hot Spring County SWA #5  
Donaldson, Donaldson, AR, Permit Tracking Number **ARR00C490, AFIN 30-00211**

Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2014. If you wish to continue permit coverage under this general permit after June 30, 2014 (expiration of the existing permit), please complete and return the Recertification Notice of Intent (NOI) included on the back of this correspondence to the address at the bottom of the page or send it electronically to [water.permit.application@adeq.state.ar.us](mailto:water.permit.application@adeq.state.ar.us) **NO LATER THAN June 30, 2014 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2014 and you wish not to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2014. Failure to submit either an NOT or a Recertification NOI could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2014 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

A copy of the Permit, NOI, and the NOT forms can be obtained at the following website:
