RE: Comments on General Permit ARR000000

Dear Sir or Madam:

On behalf of the Arkansas Ready Mix Concrete Association, we request to include “aggregate stockpiles” on page 7, Part 1.6.15 Allowable Non-stormwater Discharges as such:

Part 1.6. Allowable Non-stormwater Discharges. The following non-stormwater discharges are authorized by the permit:

1.6.15 non-process water used for dust suppression on “aggregate stockpiles and” on uncontaminated roads.

We believe this would be more appropriate for the Ready Mix Concrete Industry.

Regards,

Rita Madison, FACI
Executive Director
