RE: Permit #'s ARR10C228, ARR00C394 & ARR000164

Attention: Kim Fuller

Ms. Fuller,

Enclosed you will find three Notices of termination for the permits listed above. On Sept 6<sup>th</sup> I spoke to Caryne Starr at ADEQ concerning the issue. She informed me that we no longer need all three permits and by removing them; it would leave our Individual Industrial Permit 49611; the Hazardous Waste and our Air Permit.

If you find that this is not the case please contact us immediately to resolve the matter. I can be reached at 501-467-3232 Extension 100.

Sincerely,
