No problem James. I understand that these are different invoices from the PDS invoice we discussed last week. These TKS invoices will be paid this week. Thanks for your help, and Lester, I apologize for the delay on these!

Regards,  
David

Mr. Spencer,

Unfortunately Mr. Lester is mistaken about who you need to contact with any questions you may have regarding the two unpaid invoices. The invoices in question are with the Regulated Storage Tank division and these particular invoices begin with "TKS". I only work with invoices beginning with "PDS".

If you have any questions please contact Ms. Brittany Strickland with at 501-682-0984 or Ms. Nelda Fields at 501-682-0992.

I apologize for the confusion and misinformation over the proper contact person.

Respectfully,

Jim Purvis
