Dear Mr. Oliver:

This letter is written in response to the submittal of documentation that the Cognizant Official for the subject permits issued to Arkansas Electric Cooperative Corporation has been changed to Rob L. Smith. The facility is currently covered under the NPDES Individual Discharge Permit Number AR0049611 and Industrial General Stormwater Permit with the Tracking Number ARR000955. The Department understands that this request is for a change in the Cognizant Official only.

All pertinent information has been updated in the Department's records. The new Cognizant Official must read, understand, and comply with all the requirements of this permit. If you have any questions concerning this matter or need additional information, please feel free to contact Blake Ahrendsen, Permit Engineer, of my staff by email at ahrendsen@adeq.state.ar.us or at (501) 682-0626.

Sincerely,
