Re: General Permit Renewal ARR000000 for Facilities Discharging Stormwater Associated with Industrial Activity located within the State of Arkansas  
Magnet Cove Generating Station, Malvern, AR  
Permit Tracking No. ARR000955, AFIN: 30-00337

Dear Permittee:

This letter serves as your notification that the Draft Renewal of the General Permit for Facilities Discharging Stormwater Associated with Industrial Activity (ARR000000) will be publicly noticed in the Arkansas Democrat Gazette on June 20, 2018, by the Arkansas Department of Environmental Quality (ADEQ). The public comment period will begin on June 20, 2018, and will end at 4:30 p.m. (Central Daylight Time) on July 20, 2018. All persons who wish to comment on the ADEQ's draft permitting decision must submit written comments to the ADEQ, along with their name and mailing address, to the mailing address listed below or by e-mail at [Water-Draft-Permit-Comment@adeq.state.ar.us](mailto:Water-Draft-Permit-Comment@adeq.state.ar.us).

A copy of the Public Notice is on the reverse side of this letter. A copy of the Draft General Permit, and the Fact Sheet, are available at the Department's website at the following web address by entering the permit number listed above:

[https://www.adeq.state.ar.us/water/permits/drafts\\_pn.aspx](https://www.adeq.state.ar.us/water/permits/drafts_pn.aspx).

Please contact the NPDES Permits Section at 501-682-0623 if you have any questions or if you wish to obtain hard copies of the Draft General Permit and Fact Sheet.

Sincerely,

A handwritten signature in cursive script that reads "Jessica Temple".

Jessica Temple, P.E.  
Engineering Supervisor  
NPDES Permits Section, Office of Water Quality
