Blake,

There has been a change in the similar outfalls for Anthony Forest Products Company, LLC – Urbana Sawmill. They are currently covered under General Permit Tracking No. ARR000977.

Now the outfalls are as follows:

Outfalls Sampled: 003, 007, 008, and 011

Similar Outfalls: 002, 004, 005, 006, 009, 010, and 012.

Also, in looking at the current NOC, Outfall 012 was not included. It was on the most recent NOI though.

Can I get an update NOC for this facility?

Thanks,

Amanda Gallagher, P.E.
