Dear Permittee:

The Department has issued the renewal of the Industrial Stormwater General Permit (ARR000000) with an effective date of July 1, 2019. If you wish to continue permit coverage under the general permit after June 30, 2019 (the expiration date of the current permit), please complete the Recertification Notice of Intent (NOI) included on the back of this correspondence, and mail it to the address at the bottom of this page, or submit it electronically to water-permit-application@adeq.state.ar.us, or via ePortal at <https://eportal.adeq.state.ar.us/>, **NO LATER THAN June 30, 2019 (11:59 p.m. Central Time)**. If the facility will no longer be in operation after June 30, 2019, and you do not wish to renew your coverage, you must submit a Notice of Termination (NOT) before the expiration date of June 30, 2019. Failure to submit either an NOT, or a Recertification NOI, could result in enforcement action.

Permittees who fail to make a written request to the Director to be covered by this general permit by **June 30, 2019 will be operating without a permit** which will be in violation of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*), and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).
