NPDES Small MS4 General Permit (ARR040000) Annual Reporting Form

Instructions for completing this form:

- ARR040000 requires that this form be used when submitting annual reports. You may request approval to use your own reporting format.
- Annual Reports are due annually on or before June 1st.
- Complete the form and sign and date the certification statement below.
- If more space is needed than is provided, identify within the provided space that Attachment A, B, C, etc. has been attached.
- If an item of the form is not applicable for your program (such as street sweeping), fill in N/A in the space provided.
- Don't include attachments such as brochures, newspaper clips, sign-in sheets, etc. related to your program with this form. You only need to summarize these within this report. These records must be filed and will be needed during program audits.
- Please attach results of monitoring required for TMDL or impaired streams separately from this form.
- When complete, submit this Annual Report form to the following address:

ADEQ

North Little Rock, AR 72118
Water-permit-application@adeq.state.ar.us

Small MS4 Annual Report for Year: 2010

ADEQ Permit Tracking Number: ARR040014

Name of MS4: Garland County

Primary Contact: Judge Rick Davis

Title: County Judge

Mailing Address: 501 Ouachita Ave

City: Hot Springs, Arkansas

Zip Code: 71901

County: Garland

Telephone Number: 501-622-3600

Email Address: RDavis@garlandcounty.org

Include or attach a Table of Organization. Indicate who (name and contact information) is responsible for overall management and implementation of your program, and if different, each minimum control measure of your program. Identify how development and implementation across multiple positions, agencies, and departments occur. Also, identify any Memorandum of Understandings (MOUs) or other such agreements that exist.

Judge Rick Davis, Garland County Judge - 501-622-3600 RDavis@garlandcounty.org

Garland County Judge, Rick Davis, administers all departments involved in the general permit report, including the Environmental Services Department and the Road Department.

Paul T. Thompson, Department of Environmental Services Director - 501-622-3675 paul@garlandcounty.org

Director Paul Thompson oversees the Environmental Services Department which includes the Residential and Commercial Solid Waste Divisions, the Class 4 Landfill, the Cedar Glades Park Division, and the Environmental Inspections Division.

Denise L. Potts, Department of Environmental Services/ Inspections Division Manager 501-609-9067 dpotts@garlandcounty.org

Inspections Division Manager, Denise Potts, supervises the Inspections Division's operations including the Stormwater Permit and Inspections Program, and has been directed to develop and implement procedures for all concerned.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including possibility of fine and imprisonment for knowing violations.

POLLUTION PREVENTION/GOOD HOUSEKEEPING FOR MUNICIPAL OPERATIONS

BMP & Responsible Party	Measurable Goal	Completed (Yes or No)	Topic(s)	Targeted Audience	# of Employees Attended	Summary of Activity	Effective (Yes or No)
Employee Training Program	County Employee Training	Yes	Municipalities Stormwater Pollution Prevention	Employees of Garland County Department of Environmental Services and the Road Dept	34 of 105	Scheduling follow up dates for the month of June 2011	No
GCDES - Inspections Division							
List of Municipal Facilities Subject to Program			O&M Procedures Developed for Facilities (Yes or No)		# of Facility Inspections Performed		Frequencies of Such Inspections
Garland County Landfill			Yes - See #ARR108950		12		30 days
Garland County Transfer Station 70W			Industrial Permit #ARR000598 - Issue Date - 09-20-2010		3		N/A
Garland County Transfer Station Hwy 7N			Industrial Permit #ARR000599 - Issue Date - 09-20-2010		3		N/A
Garland County Road Department			Exempt Status per ADEQ		3		N/A
Summarize Maintenance Activities and Schedules				Summarize Activities Performed			
MS4 Maintenance Currently, the Landfill and Solid Waste facilities' NPDES, Stormwater, and Solid Waste permits are managed through the Dept of Environmental Services. The County has applied and received Industrial permits for the County Landfill and Solid Waste Transfer Stations.				Stormwater Pollution Prevention Plans have been implemented for the permitted facilities which fall under the Garland County Dept. of Environmental Services.			
Procedures Developed (Yes or No)			Document Amounts of Wastes Properly Disposed				
Disposal of Wastes Yes-Landfill - Reg 22 Permit #0300-S4 Transfer Station 70W - Permit #0050-STSW Transfer Station 7N - Permit #0036-STSW-MC			Landfill Class 4 - 85,615 tons p/yr Landfill TS Class 1 - 9,863 tons p/yr 70W Transfer Station - 16,859 tons p/yr 7N Transfer Station - 11,161 tons p/yr				
Covered (Yes or No)			Tons Used		Summarize Measures Taken to Minimize Usage		
Road Salt Yes- per Garland County Road Dept			75 tons		N/A		
Procedures Developed (Yes or No)			Gallons Used		Summarize Measures Taken to Minimize Usage		
Pesticide & Herbicide Usage Yes-Cedar Glades Park			60 gal Herbicide		Plants are allowed to naturalize, except for plants such as poison ivy, poison oak, and sumac. Application is done according to safety directions.		
Procedures Developed (Yes or No)			Pounds Used		Summarize Measures Taken to Minimize Usage		
Fertilizer Usage None used per Cedar Glades Park None used per Road Dept.			None Used		N/A		
Procedures Developed (Yes or No)			Document Amount of Material Collected and Properly Disposed				
Street Sweeping No- per Garland County Road Dept.			N/A				
Summarize any New or Existing Flood Management Projects that were Assessed for Impacts on Water Quality							
Flood Management Projects The County has no Flood Management Projects assessed. Per our Dept. of Emergency Coordinator, The County participates in the Community Rating System (CRS), with a current score of 9.							

SMALL MS4 ANNUAL REPORT FORM

PROPOSED CHANGES TO YOUR SWMP (IF ANY)

- Summarize any proposed changes to your SWMP, including changes to any BMPs or any identified measurable goals that apply to the program elements. If you fail to satisfy measurable goals for the reporting year, please explain why.

The Garland County Quorum Court adopted an Environmental Fee Ordinance in December 2010. However, the fee has not been implemented to date. It is pending other county project funding issues and timetables. The county's Environmental Fee is schedule to be assessed in late October of 2011. In addition, we have obtained Industrial Permits for the Transfer Stations and have acquired an exempt status for the county's Road Department and Transfer Stations.

VARIANCES GRANTED (IF ANY)

- Identify and summarize any variances granted under your storm water program.

No Variances granted.
