Re: Annual Report - Regulated Small Municipal Separate Storm Sewer Systems (MS4s)
Permit Tracking Number: ARR040020, AFIN: 88-00850

Dear Mr. Millay:

The 2017 annual report required by Part 4.3 of the MS4 General Permit ARR040000 was received on June 5, 2018, and has been reviewed by Department personnel and determined to be in compliance with the applicable permit requirements.

It should be noted that the 5-year term of the MS4 General Permit will be expiring on July 31, 2019. All of the performance standards for each of the control measures should be implemented and accomplished by the end of the permit term.

If you have any questions concerning this matter or need additional information, please feel free to contact me at (501) 682-0023, or by email at lester@adeq.state.ar.us.

Sincerely,

A handwritten signature in black ink, appearing to read "Guy Lester", is written over a light blue horizontal line.
