III. PERMITTEE CERTIFICATION

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

"In addition, I understand that by submitting this Notice of Termination that I am no longer authorized to discharge storm water by general permit, and that discharging pollutants in stormwater associated with construction activity to Waters of the State is unlawful under the Clean Water Act and the Arkansas Water and Air Pollution Control Act where the discharge is not authorized by an NPDES permit."

RE: Notice of Termination
Stormwater Construction Permit No. ARR152462

Dear Mr. Shaffi,

Construction on the new kiln is complete with construction areas either restored with vegetation or stabilized for use in the activities at the facility. The Notice of Termination is enclosed with photos to demonstrate the construction project is complete. All remaining discharges are authorized under AS Groves, NPDES permit. If you have any questions, please contact me.

Sincerely,

Keith Byerly

Sandra—

I have an NOT for ARR152462 AFIN 41-00001 – Ash Grove Cement.

Do they have any enforcement issues?

Thanks,

Katherine Yarberry, EI
