Re: Stormwater Construction General Permit Notice of Termination
Dassault Falcon Jet Corp.
Permit No. ARR154430, AFIN 60-00617

Dear Mr. Solaimanian:

Please find enclosed a completed Notice of Termination (NOT) for the referenced Stormwater Construction permit issued to Dassault Falcon Jet Corp. This report is submitted in accordance with Part I, Section B, Number 15 of the General Permit effective on November 1, 2011. Photographs demonstrating compliance with the permit stability requirements have also been enclosed for review as required.

We appreciate the Department's consideration of this permit termination request. If you have any questions or need additional information, please do not hesitate to contact me at (501) 210-0375 or by email at Eugene.Jamison@falconjet.com.

Sincerely,

A handwritten signature in black ink that reads "Eugene Jamison". The signature is written in a cursive style with a large, sweeping flourish at the end.

Eugene Jamison, REM
Sr. Manager, Environmental Systems & Sustainability

III. PERMITTEE CERTIFICATION

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

"In addition, I understand that by submitting this Notice of Termination that I am no longer authorized to discharge storm water by general permit, and that discharging pollutants in stormwater associated with construction activity to Waters of the State is unlawful under the Clean Water Act and the Arkansas Water and Air Pollution Control Act where the discharge is not authorized by an NPDES permit."
