### Section 1: Review Existing Facility/Contact Information

#### Facility/Contact Information

---

For the purpose of this permit, **◆Permittee◆** means any person (any state agency, municipality, governmental subdivision of the state or the United States, public or private corporation, individual, partnership, association, or other entity) who has the primary management and decision-making responsibility over a permitted operation, facility, or activity. The permittee is responsible for ensuring compliance with all applicable environmental regulations and conditions. The permittee is the entity named as such on an individual permit or the entity covered by a general permit.

If the permittee is a corporation, the permittee legal name has to be an identical match with the Arkansas Secretary of State. Below is a link to verify the legal name:

**Section 4: Permittee Information & Disclosure Statement****Permittee Type**

Sole Proprietorship or Unregistered Partnership

Ark. Code Ann. 8-1-106 requires that applicants for any type of permit or transfer of any permit, license, certification or operational authority issued by the DEQ file a Disclosure Statement with their application unless exempt for doing so under Ark. Code Ann. 8-1-106(b)(2). The filing of a Disclosure Statement is mandatory. No application can be considered administratively complete without a completed Disclosure Statement unless that facility is exempt. Publicly traded companies may submit the most recent 10-K and 10-Q filings to the Securities and Exchange Commission (SEC) in lieu of the Disclosure Statement.

Based on the choice of Permittee Type, it is likely that an updated disclosure statement, declaration of no changes from the previous disclosure statement, or SEC forms is required for this facility.

The disclosure statement form may be obtained from the DEQ web site at:

[https://www.adeg.state.ar.us/ADEQ\\_Disclosure\\_Statement.pdf](https://www.adeg.state.ar.us/ADEQ_Disclosure_Statement.pdf)

**Disclosure Statement**

The violation history, experience and credentials, involvement in current or pending environmental lawsuits, civil and criminal, have not changed since the last Disclosure Statement that was filed with DEQ.

**Section 5: Signatory Requirements****Cognizant Official (Duly Authorized Representative)**

40 CFR 122.22(b) states that all reports required by the permit, or other information requested by the Director, shall be signed by the applicant (or person authorized by the applicant) or by a duly authorized representative of that person. A person is a duly

authorized representative only if:

- (1) the authorization is made in writing by the applicant (or person authorized by the applicant);
- (2) the authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity responsibility, or an individual or position having overall responsibility for environmental matters for the company.

**Responsible Official**

The information contained in this form must be certified by a responsible official as defined in the signatory requirements for permit applications (40 CFR 122.22).

Responsible official is defined as follows:

For a corporation: By a responsible corporate officer. For the purpose of this section, a responsible corporate officer means:

- (i) A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy- or decision-making functions for the corporation, or
- (ii) the manager of one or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

For a partnership or sole proprietorship: By a general partner or the proprietor, respectively.

For a municipality, State, Federal, or other public agency: By either a principal executive officer or ranking elected official. For purposes of this section, a principal executive officer of a Federal agency includes:

- (i) The chief executive officer of the agency, or
- (ii) a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrators of EPA).

**Responsible Official**
