Ark. Code Ann. 8-1-106 requires that applicants for any type of permit or transfer of any permit, license, certification or operational authority issued by the DEQ file a Disclosure Statement with their application unless exempt for doing so under Ark. Code Ann. 8-1-106(b)(2). The filing of a Disclosure Statement is mandatory. No application can be considered administratively complete without a completed Disclosure Statement unless that facility is exempt. Publicly traded companies may submit the most recent 10-K and 10-Q filings to the Securities and Exchange Commission (SEC) in lieu of the Disclosure Statement.

Based on the choice of Permittee Type, it is likely that an updated disclosure statement, declaration of no changes from the previous disclosure statement, or SEC forms is required for this facility.

The disclosure statement form may be obtained from the DEQ web site at:
