Section 1: Review Existing Facility/Contact Information

Facility/Contact Information

For the purpose of this permit, ♦Permittee♦ means any person (any state agency, municipality, governmental subdivision of the state or the United States, public or private corporation, individual, partnership, association, or other entity) who has the primary management and decision-making responsibility over a permitted operation, facility, or activity. The permittee is responsible for ensuring compliance with all applicable environmental regulations and conditions. The permittee is the entity named as such on an individual permit or the entity covered by a general permit.

If the permittee is a corporation, the permittee legal name has to be an identical match with the Arkansas Secretary of State. Below is a link to verify the legal name:

Section 4: Monitoring Frequency Reduction

Monitoring Frequency Reduction

Facilities that routinely discharge and meet permit limits may be eligible for monitoring frequency reduction for COD, TSS, and O&G. The requirements for monitoring frequency reduction are as follows:

1. The facility must have at least 3 consecutive months of testing, with at least 2 discharges per month.
2. The facility must not have any permit limit exceedances for the parameter during the above period or any time after.

If monitoring frequency reduction is requested, DEQ staff will review DMR records to confirm if the facility is eligible.

Would you like to request monitoring frequency reduction at this facility?

No

Section 5: Permittee Information & Disclosure Statement

Permittee Type

Registered Partnership

State of Incorporation/Registration

Arkansas

Ark. Code Ann. 8-1-106 requires that applicants for any type of permit or transfer of any permit, license, certification or operational authority issued by the DEQ file a Disclosure Statement with their application unless exempt for doing so under Ark. Code Ann. 8-1-106(b)(2). The filing of a Disclosure Statement is mandatory. No application can be considered administratively complete without a completed Disclosure Statement unless that facility is exempt. Publicly traded companies may submit the most recent 10-K and 10-Q filings to the Securities and Exchange Commission (SEC) in lieu of the Disclosure

Statement.

Based on the choice of Permittee Type, it is likely that an updated disclosure statement, declaration of no changes from the previous disclosure statement, or SEC forms is required for this facility.

The disclosure statement form may be obtained from the DEQ web site at:

https://www.adeq.state.ar.us/ADEQ_Disclosure_Statement.pdf

Disclosure Statement

The violation history, experience and credentials, involvement in current or pending environmental lawsuits, civil and criminal, have not changed since the last Disclosure Statement that was filed with DEQ.

Section 6: Signatory Requirements

Cognizant Official (Duly Authorized Representative)

40 CFR 122.22(b) states that all reports required by the permit, or other information requested by the Director, shall be signed by the applicant (or person authorized by the applicant) or by a duly authorized representative of that person. A person is a duly authorized representative only if:

- (1) the authorization is made in writing by the applicant (or person authorized by the applicant);
- (2) the authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity responsibility, or an individual or position having overall responsibility for environmental matters for the company.
