Review Existing Permittee Information

Facility/Contact Information

The permittee means any person (an individual, association, partnership, corporation, municipality, state, or federal agency) who has the primary management and ultimate decision-making responsibility over the operation of a facility or activity.

For the purpose of this permit, the permittee refers "Permittee" means any person (any state agency, municipality, governmental subdivision of the state or the United States, public or private corporation, individual, partnership, association, or other entity) who has the primary management and decision-making responsibility over a permitted operation, facility, or activity. The permittee is responsible for ensuring compliance with all applicable environmental regulations and conditions. The permittee is the entity named as such on an individual permit or the entity covered by a general permit.

If the permittee is a corporation, the permittee legal name has to be an identical match with the Arkansas Secretary of State. Below is a link to verify the legal name:
