RE: AFIN No. 23-00000; General Permit Tracking No. 00339-WG-LA  
Section 9, Township 7N, Range 12W, Faulkner County

Dear Mr. Bross:

The Notice of Intent for coverage under the General Permit 00000-WG-LA for the land application of water-based drilling fluids was received on September 20, 2010 and has been approved by this Department. A copy of the General Permit and a Notice of Termination form are available on our website at [www.adeq.state.ar.us](http://www.adeq.state.ar.us). Compliance with all conditions and limitations therein is required. Your required land application parameters are listed below:

Well name:	<u>May 1-9</u>	
Reserve pit fluid volume:	<u>3,415</u>	barrels
Application Area:	<u>8.81</u>	acres
Maximum fluid depth:	<u>0.60</u>	inches

Coverage for your facility under this General Permit is effective as of the date of this letter. Your facility has been assigned Permit Tracking No. 00339-WG-LA and AFIN No. 23-00000. Please use these references in any future correspondence with the Department.

This letter is issued in reliance upon the statements and representations made in the submittal and the Department has no responsibility for adequacy or proper functioning of equipment.

If you have any questions, please contact Andy Nanneman at (501) 682-0647.

Sincerely,

Mo Shafii  
Assistant Chief, Water Division
