RE: NPDES Stormwater Construction General Permit, Hamilton Park Addition, Hot Springs, AR
Permit Tracking No. ARR152120 AFIN 26-00980

Dear Mr. Baker:

The renewal certification for coverage under Stormwater Construction General Permit ARR150000 was received. For tracking purposes, the previously-assigned permit tracking number, **ARR152120** and previously-assigned AFIN, **26-00980** will continue to be used. Please use both of these numbers in all future correspondence related to this construction project.

Your Stormwater Pollution Prevention Plan (SWPPP) should be updated to comply with the new requirements of the renewed general permit and be available at the site no later than **February 1, 2012**. You do not need to submit an updated SWPPP to the Department.

Please post the enclosed Notice of Coverage at your site. If you have any additional questions concerning this matter or need additional information, please feel free to contact the General Permits Section at (501)682-0623.

Sincerely,

Mo Shafii

**AUTHORIZATION LETTER TO DISCHARGE STORMWATER UNDER
THE NPDES STORMWATER CONSTRUCTION GENERAL PERMIT NUMBER ARR150000.**

THIS IS THE NOTICE OF COVERAGE UNDER GENERAL PERMIT ARR150000

The stormwater discharge shall be in accordance with all monitoring requirements and other conditions set forth in the NPDES Stormwater Construction General Permit ARR150000.

Stephens/Baker Development, Inc.
12913 I-30
Benton, AR 72015

is authorized to discharge stormwater from a facility located as follows:

Hamilton Park Addition
791 Marion Anderson Road
Hot Springs in Garland County, Arkansas

In accordance with the original NOI, there will be only 52.37 acres disturbed out of 52.37 acres total. If additional acreage is going to be disturbed, a new site map indicating the new disturbed area and all requirements of the site map set forth in Part II.A.4.F of the Construction Stormwater General Permit, ARR150000, must be submitted to the Department prior to any activity taking place on the additional acreage.

The Stormwater Pollution Prevention Plan will be located at at second entrance to subdivision.

The Project Contact Person for this construction site is Kevin Rash, 501-317-0730.

This authorization must be **posted** at the construction site in a prominent place per the general permit.

Original Issued Date: 01/22/2007

Renewal Coverage Date: 12/07/2011

Expiration Date: 10/31/2016
